

Tobacco Policy in Uddevalla Adult Education

Uddevalla Adult Education shall be a tobacco-free workplace; this rule prohibits all tobacco-containing products within school/workplace boundaries.

This includes cigarettes, e-cigarettes, water pipe, pipe tobacco, cigarillos, cigars and raw tobacco.

No one within the Adult Education campus or the workplaces' facilities should have to be exposed to secondhand smoke or the smell of smoke.

It is strictly forbidden to smoke or use tobacco around the buildings and parking lots.

For those of you who still want to smoke, please refer to Musikberget where there are ashtrays and trash bins!
